“ I am so deeply sorry for your loss, Betty was a truly special person to me and I will never forget the moments we shared. I am sending you a hug and my love through this note. Even on your darkest days there is an angel by your side to guide you along the way. May the road rise up to meet you, may the wind be ever at your back. May the sun shine warm upon your face and the rain fall softly on your field. And until we meet again, may God hold you in the hollow of his hand.  
Love. Emma
