“ Dearest beloved auntie,

You were always very gentle, kind, warm, caring, loving, giving, welcoming, open-minded, understanding, compassionate, always putting other people first and looking after everyone around you. Inside, you were very strong, determined, fighter and very protective of others.

Auntie, thank you for welcoming me with warmth and open arms whenever I visited you. Even at difficult times, you showed us strength and positivity. Thank you for being such a well respected and beloved role model for us all. You are deeply loved and we will miss you, but we know you will be watching over us from heaven, guiding us with your wisdom and protecting us with your unconditional love.

Thank you Auntie for everything you have done for us.

Deepest condolences to Zhao and Zhang family and Sharon & Denis's family.
