“ We are deeply saddened to hear of the passing of Aunty Karen.

Our family met Aunty Karen when we first migrated to Australia and she has been a blessing to our lives. She was always a very positive woman and has always been very supportive, like a motherly figure to us and provided guidance to my family and I as we settled in a new environment and had 2 newborns (both of them named by Aunty Karen herself)

Aunty Karen, we will be forever grateful to have met you as you have influenced my family's lives and children in such a positive way. We are glad to have shared so many fond memories together, you will be deeply missed by our whole family.

Patrick and Min, we are missing Aunty Karen along with you. Your family is in our thoughts and prayers.

*With heartfelt sympathy

“ *Dear Patrick and Min*

It was a pleasure knowing your mother/mother-in-law. Karen was a devoted parent and a kind generous and sincere friend. I was very fortunate to be able to catch up with her about six weeks ago and as always we had a good laugh together. Karen will be sadly missed. Our thoughts are with you in this difficult time. I'm sure Karen is in heaven now and looking down at us wishing us well. May you find peace and look after each other. With love Denis and Nina

“ *Dear Patrick & Min, To comfort you in your sorrow.... Deep sorrow brings such darkness and it seems there is no way through, but sweet memories bring a brightness that will strengthen and comfort you...And may it help in a small way to know that loving and caring thoughts are sent to you today. With Sympathy In Your Time If Loss, Love Always, Aunty Debbie, Duriel & Desiree*

“ *My family has the privilege to be friends with her for over 40 years when she moved to Singapore in the 70s. She was known as Aunty Karen since I was a little girl. Always known her to be so full of life and vigour with a royal aura about her! A woman of substance ahead of her time in the generation of women in the 60s. She was an inspiration to me!*

Looking back, It's such a blessing to have Aunty Karen visit Singapore in 2019 to celebrate my 50th birthday together with my parents and sisters and our families. That was the last our families met.

We just you to know that you will be dearly missed, Aunty Karen, and you will always be in our hearts and memories!

May you rest in peace.

“ My family was lucky to know Yim Ling (aka "Aunty Karen") and call her friend for such a long time. She was spirited and always spoke her mind with a streak of humour to lighten the mood! I never thanked her properly for supporting my sister and I after Marta (our mum) passed away, as they were close friends - keeping in touch can be a hard thing to do, and Aunty Karen was very good to us during that difficult period. I hope you are comfortable, happy and reunited with other friends that have moved on from this life Aunty Karen!

“ Dear Patrick and Min,

Zisis and I would like to send our condolences to you and your extended family. We are in deed sorry for your loss. May your Mom Karen rest in peace and is now with the lord in heaven where there is no pain, tears and sorrow.

Unfortunately we are not able to attend the funeral. The 92,264 Codvid cases reported today is a real concern. Please be assured that you all are in thoughts and prayers.

Blessing

Stella, Zisis and his family
