“Dad, words cannot describe on how I feel at the moment. Thank you for your guidance and untold devotion to your children, I would not have achieved what I have today, if it was not for you. When I look back at all the difficult adversities faced, it was your guidance and compassion that shown me the way.

Your children and grandkids left behind are a true testament of the Man you are. You have raised and left a loving family who are always there for one another. I am thankful for everything you have given us, I missed you deeply, and you'll always live on in our hearts.
