“ Dear Da Gui Ma,

Thank you for always being so happy to welcome us into your home. We will miss you: your smile and how you would encourage us to eat more or try another dish when we came to visit for dinner; always a lively event!

May you rest in peace, safe in the knowledge that your legacy will be carried by Da Gui, Michael, Shirley and your wonderful grandchildren.

*Love,
Kevin and Katharina*

“ Uncle Tim, Shirley, Michael and Alan. Sorry to hear of your wife, mum, and my aunt's passing. I'm sorry I won't be there to celebrate her life but know that she will be in my thoughts and Lisa and the boys will be there with you tomorrow. She leaves a wonderful legacy of children and grandchildren she can be proud of. Francis

“ Dearest Ye Ma,

I will never forget the warmth and comfort you brought to our lives. You were always there for us, taking care of mum when she first arrived and looked after me when I was little.

My earliest memory is hiding under the dining room table and rummaging through your handbag to play with your makeup and pearl necklace. You would always laugh and never got upset.

I will forever miss your voice and your presence and also forever grateful for the care and love you showed me.

“ Dear “Da Ma”,

I have so many happy memories of you and we will always remember your care and love of your family and to all of us. Every now and then, I still have a chuckle remembering the day, nearly 50 years ago now, when you had to put out a backyard fire created by us 3 young boys.

I know you are especially proud of your wonderful children, Michael and Shirley and how much you adore every one of your beautiful grand children.

You will be very much missed by all of us but I also know that you will be cheering us all on in heaven, seated together with Nai Nai, Aunty Agnes and family.

May you rest in Peace and God Bless.

Lots of love from Anthony and the Chung Family

“ Dear Mum,

You have always “been there” and we’ll miss the comfort of being able to see or speak with you at any time.

I’ll miss hearing your voice, especially the “Shirley-ah” and the joy you had when beating us all in mah-jong.

Above all, I’ll always remember you for your kindness and generosity, especially towards my parents and Anna, and of course Chelsea, Jacob and James who were truly blessed to have you as their grandmother.

May you Rest In Peace and have that well deserved cup of tea.
