“ *My heart goes out to you in your time of sorrow, we will miss the beeping o your "504" chip when crossing that tough electronic matt every Wednesday at Corporate cup. May God bless your family with all love and hope to bear in these moments of darkness and solitude. May God provide light to the family to endure this shocking news. All the best, our prayers go out to you!*

“ *We love you and miss you Leon.*

Leon was one of the most gentle and kind people I've met. I didn't work closely with him but every time we cross paths around the Bank he always greeted me with the most heartwarming smile as we talked about running.

My condolences to his wife, children and the rest of his family. Leon would want you to be strong during this time. ❤️❤️❤️

“ *Leon,*

第一次见你是我刚到悉尼的第一年，你那天还请了我去你家吃年夜饭是饺子，谢谢陪伴走过来打球旅游聚餐各自恋爱结婚忙小孩的美好时光，没想到离开悉尼就已经是永别了。兄弟你一路走好。

You will be missed.

“ I sat next to Leon on my first day of work in RBA, and instantly I knew I was in good company. Leon has a very gentle and humble soul. He was generous with his time and talent.

He showed me photos of his beautiful family (especially in their recent trip to Japan) and twas easy to see what inspired him to work hard. He once sent an email @3am to say he passed the exam to get him certified to support the system I was handing over to him.

Even after he moved to another dept, we'd go to lunch with friends and he'd always be dripping with sweat while eating his chilli noodles. He had that zest for life!

Leon has a calm and caring spirit and it's how I'd remember him. Thank you Leon for the kind and respectful person that you'd been to me.

My heartfelt condolences to Leon's wife, kids and family. I pray for your strength in this time of sorrow.

“ Dear Zhiyang Leo,

Thank you for all the good and bad days that we have had together in the past 41 years!

I remember you as a clever, diligent and strong minded soul.

You will always be a little brother whom I adore.

I will also remember the dad jokes that you did from time to time. I miss the giggles that you used to hide your embarrassment.

You seem to have a solution for everything and it is unreal that you did not manage to wake up from sleep.

I will treasure our memories.

God has said, “Never will I leave you; never will I forsake you.”

May you rest in peace in heaven.

Blessings!

“ Leon started working with our IT Banking BAU team 7 years ago.

We were always envious of Leon's delicious master chef lunches. Leon would open his lunch box with a big smile and then proceed to present it beautifully on the plate before heating it up in the microwave. We could see by the smile on Leon's face that he was proud of his family.

Shortly after joining the bank Leon started running with us. None of us were fast runners and neither was Leon at the beginning. After a few months Leon started running faster and faster until one day none of us could keep up with him. We encouraged Leon to run with the high flying RBA "Midday Milers". We believe Leon got all his energy from the love and care of his family.

Leon, you will always be with us in our hearts and memories.

All Leon's friends and co-workers are deeply sorry about the loss of such a good friend. I will never forget the warmth smile he brought into the office each day - he was humble, a true gentleman. Please be comforted by the outpouring of love and support from his freinds at the Reserve Bank of Australia.

May you Rest In Peace Leon

“ *Leo is such a gentle soul and loyal friend. Always true and real. A friend that I made when we all just arrived in Australia, a friend that formed all the sweet memories of mine, a friendship that I was looking forward to keep for a lifetime. The saddest thing that ever happened to me is to lose my dear friend Leo so soon. Leo has made a mark in my heart so warm and joyful that I will forever treasure. I will miss him deeply and I know he will always live in the memories of people who loved him and he loved. Rest In Peace Leo!*
